GEISINGER SCHOOL OF NURSING AND  
THE PENNSYLVANIA ACTION COALITION:

# THE CLINICAL FACULTY AND PRECEPTOR ACADEMY (CFPA)

The **Geisinger School of Nursing** and the **Pennsylvania Action Coalition (PA-AC)**, program of the **National Nurse-Led Care Consortium (NNCC)**, are collaborating to improve the training, preparation, and availability of clinical faculty and preceptors across HHS Region 3 (PA, MD, DE, VA, WV, and DC). The CFPA program provides training and resources via eligible host sites to empower and encourage nurses to work as clinical faculty and preceptors to undergraduate nursing students.

## SEEKING HOST SITES TO PILOT THE CFPA 101 TRAINING PROGRAM

The CFPA 101 self-paced, online curriculum provides evidence-based, interactive learning modules to help your nursing staff serve as skilled clinical faculty or preceptors to undergraduate nursing students. Grant funding is available to facilitate participation.

### REQUIREMENTS:

- ✓ Must be within HHS Region 3
- ✓ Site must educate undergraduate LPN and RN students
- ✓ Review website for additional details
