

NURSES ON BOARDS COALITION

The Nurses on Boards Coalition (NOBC) represents national and state efforts by nurses and others working to build healthier communities in America. The key strategy of the NOBC is to increase nurses' presence and influence on corporate, health-related, and other boards, panels, and commissions. The Coalition's intent is to ensure that nurses are at the table filling at least 10,000 board seats by 2020, as well as raise awareness that all boards would benefit from the unique perspective of nurses to achieve the goals of improved health and efficient and effective health care systems at the local, state, and national levels.

Mission: TO IMPROVE THE HEALTH OF COMMUNITIES AND THE NATION THROUGH THE SERVICE OF NURSES ON BOARDS AND OTHER BODIES
